

Do Freemasons worship the devil?
Is a goat involved in Masonic ceremonies?
Does Freemasonry hold the secrets of Hermes Trimegistus and the ancients?
Is it descended from the Illuminati, the Rosicrucians and the Templars?

Cygnus the Great, fauns and satyrs, early Christianity, the mystics and the gospel of Q, the history of the Bible; polytheism, henotheism and monotheism, the death of Pyarr, the problem of evil, the Dogma and the Cathars, Elisabeth Barrett Browning, and John Donne; Wittgenstein and language games, reasons for secrecy; Augustine, Hume and Nietzsche; Kabbalah; the Templars and the Rosicrucians; and, of course, the wonderfully named Hermes Trimegistus – not forgetting Tecumseh, Crazy Horse and the Comanche.

A wonderful, infuriating, stimulating and provocative book that is a joy to read. It provides a perfect counterpoint to all the pretentious rubbish about Freemasonry that we have suffered so long. I only wish that I had written it!

Robert A. Gilbert, PM Quatuor Coronati Lodge, Past Editor Ars Quatuor Coronatorum

A fascinating story that deserves to be read.

John M. Hamill, PM Quatuor Coronati Lodge.

Erudite, eccentric and entertaining.

Stephen O'Shea, writer and broadcaster, author of *The Perfect Heresy: the life and death of the Cathars*.

An astoundingly good piece of work. Brilliantly researched. An absolute tour de force.

Professor Robin Stuart-Kotze

Masons and non-masons will enjoy David West's lucid and readable discussion of long-standing masonic characters, history and ideas. You may find yourself reading it more than once.

Alasdair MacLeod, Secretary of the Southchurch Masonic Study Circle.

Is there magic in 'Freemasonry'? There is in West's deep portrayal and surfacing of its historical roots and present day values.

Dr Rick Roskin, lately Dean of the School of Business, Royal Roads University.

If you would know the many faces of the devil, delve, with iron fingers and a long spoon, into Dr West's detailed taxonomy of the Lord of the Flies whose magic being given to us we must, the better keep our feet upon his neck.

Peter H. Currie, PM Quatuor Coronati Lodge, Past Editor Ars Quatuor Coronatorum.
