### Willow Charity Info:

Willow is the only UK charity supporting seriously ill 16 to 40 year olds by providing Special Days. Each unique experience is a positive focus away from treatment or marks recovery from illness. The planning, anticipation and excitement of the day itself boosts confidence and provides inspiration to make every moment count. Founded in 1999 by former Arsenal goalkeeper and TV presenter Bob Wilson OBE and wife Megs as a lasting memorial to their daughter, Anna, who died of cancer aged 31, Willow is reliant on individuals, companies, and trusts for funding.
